**CARMA, Inc. Cultural and Architectural Resource Management
Associates. Owner. 2005 to present.**

Conservation Consultant, HHM Inc., Austin, Texas. 2005 to present.
Historic American Building Survey, Architectural Supervisor. 1994, 1995, 1996, 1997.
Abstract Reviewer, National ACSA Conference, October, 1996.
Manuscript review Architectural Professional Practice, Prentis Hall Publishers. 1994.
ExCeL Design & Construction, Owner. Residential Design/Build. 1991-2002.
MGD Architects. Ransom Canyon, Texas. Internship. 1991-1992.
Residential design, construction drawings and bidding.
Willard B. Robinson, Architect. 1988.
ADC, Architects, Developers and Contractors, Internship. 1987.
Broadview Construction Company, Lubbock, Texas. Drafting. 1986.
Darnell Construction Company, Amarillo, Texas. Drafting. 1986.

D o c u m e n t a t i o n & R e s e a r c h

- ***Colorado River Bridge, CR 337*** – Research and LIDAR / HAER Documentation Project – Research and documentation, historic bridge evaluation. Funded through HHM, Inc. from TxDOT. . August, 2009-2010.
- ***Slaughter Ranch – Research and Documentation Project*** – Research and LIDAR / HABS documentation, building evaluation and adaptive use proposals, LIDAR Documentation for HABS. Cochran County Historical Commission President: Dorothy Barker, Morton, Texas. Pro-Bono. September, 2009.
- ***Mashed “O” Ranch – Research and Documentation Project*** – Research and LIDAR / HABS documentation, building evaluation and adaptive use proposals. Owner: Steve Edwards, Earth, Texas. Pro-Bono. September, 2008.
- ***Santa Fe Railroad Depot – Historic Structures Report***. Terry County Historical Museum required evaluation, analysis and documentation of the Depot building to convert it to additional museum space. 3D Laser Scanning, Panoramic photography and building analysis was completed in April, 2008 and submitted to the client.
- ***Perdenales Cave Research – Documentation of Aural Properties to 3D laser scanning data***. Precision measuring and electronic sound recordings will be mapped to a 3D space for archival purposes.
- ***XIT Channing Headquarters – Research and Documentation Project***. Interpretive drawings and LIDAR / HABS documentation drawings. Funded through HHM, Inc. from TxDOT. Principle Investigator Professor Elizabeth I. Louden. January, 2008.
- ***Cowhead Mesa Petro-glyphs – Research and Documentation Project***. 3D laser scanning documentation and mapping of high definition photographs to explore and measure fragile petroglyphs near Post, Texas. Co-Investigator with Dr. Stance Hurst, TTU Museum. June, 2008

- **Ramesseum, Luxor, Egypt – Research and Documentation Project. 3D laser scanning documentation and mapping of high definition photographs to complete the digital reconstruction of the Pylons. Consultant to Kacyra Family Foundation, January, 2008.**
- **1873 Bryson Farmstead – Research and LIDAR / HABS Documentation Project.** Interpretive drawings and documentation drawings. Funded through HHM, Inc. from TxDOT. Principle Investigator Professor Elizabeth I. Louden. June, 2007.
- **1930s Mesa Water Boosting Station – Research and LIDAR / HAER Documentation Project.** Interpretive drawings and documentation drawings. Funded through HHM, Inc. from TxDOT. June, 2007.
- **St. Maria Antiqua – Research and LIDAR Documentation Project, Roman Forum, Rome, Italy, in cooperation with Ball Statue University and the Superintendent of Architecture for Rome. 2005 Summer, 2007.**
- **San Jose Mission, San Antonio, Texas.** – November, 2006. Preliminary site visit and project planning in conjunction with Professor Frank Matero, Director of the Historic Preservation Program, University of Pennsylvania. Rectified photography and 3d laser scanning documentation.
- **Landa Street Documentation Project, New Braunfels, Texas .** Interpretive drawings and LIDAR / HAER documentation drawings. Funded through HHM, Inc. from TxDOT. Principle Investigator Professor Elizabeth I. Louden. July, 2006.
- **Shelburne Farms, Burlington, Vermont – Breeding Barn, Research and LIDAR / HABS Documentation, Shelburne Farms Educational Organization with Douglas Porter, Research Associate and Historic Preservation Director and the University of Vermont. 2006-2007.**
- **Digital Statue of Liberty-Phase II, Research and LIDAR / HABS Documentation, Liberty Island National Park Service & HABS Division of the NPS. 2006-2007.**
- **Troy Main Street Documentation Project – Phase III.** February, 2006. Interpretive drawings and LIDAR / HABS documentation drawings. Funded through HHM, Inc. from TxDOT.
- **Lockport Locks on the Erie Canal Documentation Project – LIDAR / HABS Documentation** research project of the historic five flights of the Lockport Lock. National Park Service, HABS/HAER/HALS Division. November, 2005.
- **Troy Main Street Documentation Project – Phase II.** November, 2005. Preliminary drawings and scope of work presentation to TxDOT.
- **Troy Main Street Documentation Project – LIDAR / HAER Documentation** research project of the historic main street of Troy, Texas. Sixteen buildings, the grain elevator and the historic concrete bridge over I-35 formed the core of the funded project through HHM, Inc. as a representative of TXDOT. June, 2005.
- **St. Maria Antiqua – LIDAR / HABS Research and Documentation Project, Roman Forum, Rome, Italy, in cooperation with Ball Statue University and the Superintendent of Architecture for Rome. October, 2004 - November, 2005.**
- **Texas Roadside Parks – LIDAR / HAER Documentation Project.** Research and Documentation. \$67,000. Principal Investigator. Eight sites and five sculptural objects, funded by HHM, Inc. a representative for TXDOT. June, 2004.

- *George Washington's 1776 Sleeping Marquee* – HABS Documentation Project. Research and Documentation. September 2003.
- *6666 Barn and Bunkhouse* HABS Documentation Project Research and Documentation, *HABS Documentation Project*. Research and Documentation. 2003-2005.
- *Brownwood Grain Elevator Documentation*. HABS Documentation Project. Funded by HHM, Inc. a representative for TXDoT. 2003.
- *Bluff Dale Bridge Documentation*. HABS Documentation Project . Funded by HHM, Inc. a representative for TXDoT. 2003.
- *Mallet Ranch Documentation*, Ranching Initiative Research and LIDAR / HABS Documentation Project, Fall, 2002.
- *Bis sa ani' Pueblo & Ken Yazee site, Chaco Canyon*, NM Research and LIDAR / HABS Documentation Project, Summer, 2002.
- *Sabine Pass Lighthouse* Research and LIDAR / HABS Documentation Project, May, 2002
- *6666 Ranch Main House*, Research and LIDAR / HABS Documentation Project, Funded by The CH Foundation. 2001-2002.
- The *Daniel's Ranch*, LIDAR / HABS Research and Documentation Project. Funded by the Big Bend Natural History Association. 2001-2002.
- **Digital Statue of Liberty, Research and LIDAR / HABS Documentation, Funded by HABS, National Park Service. 2001-2002.**
- *Dorgan House and Sublett Farm*, Research and LIDAR / HABS Documentation Project, \$10,000. Funded by the Big Bend Natural History Association. - 2002.
- Research for doctoral degree at the University of York, U.K. Working dissertation title, "Wood, Weathering and the West: A study of the wood deterioration in ranch buildings of the Llano Estacado Region of the SW United States, 1850-1950." Funded by Faculty development leave from Texas Tech University. \$24,000. May, 1999 through August, 2000. Continuing research.
- *Castolon Historic District* Big Bend National Park - eleven historic structures. Research and HABS documentation. Co-sponsored by the Big Bend Historical Association and the Big Bend National Park. Principle investigator. Research grant awarded, \$42,850. 1996-98.
- *Barker Lodge, Big Bend National Park*. Research and HABS documentation, Co-sponsored by the Big Bend Historical Association and the Big Bend National Park. 1996-98.
- *Fort Hill*, Home of John C. Calhoun and Thomas G. Clemson, Clemson University, South Carolina. Measured Drawing Documentation on CADD for Cultural Resource Management, Co-Principal Investigator and Project Architect, Historical American Building Survey, National Park Service. 1997.
- *Adobe Row*, William Curry and Frances Mayhugh Holden Properties. National Register nomination accepted and listed. Comprehensive history and architectural significance report. Expenses underwritten by the Lubbock Heritage Society, 1995-96.

- ***The Brownfield House***, Brownfield, Texas. Historic structures report 1996. Funded by a matching Grant from the National Preservation Fund and the Brownfield Historical Society. 1996.
- ***The Church of St. James the Less***. c. 1848-50, William Penn Foundation and the Historical American Building Survey of the National Park Service, Philadelphia, Pennsylvania. Project Architect, Historical American Building Survey, National Park Service. Measured Drawing Documentation for Cultural Resource Management. 1996.

Unprecedented cooperative agreement between the National Park Service and William Penn Foundation. 1996.

- ***K-Bar Ranch***, Big Bend National Park, Big Bend, Texas. Measured Drawing Documentation for Cultural Resource Management, Principal investigator. Big Bend Historical Association and the Big Bend National Park. Research grant. 1995.
- ***Morrell House, and Stagecoach Inn, Harpers Ferry National Historical Park***, Harpers Ferry, West Virginia, Measured Drawing Documentation for Cultural Resource Management, Co-Principal Investigator and Project Architect, Historical American Building Survey, National Park Service. 1995.
- ***Paymaster House, and Brackett House, Harpers Ferry National Historical Park***, Harpers Ferry, West Virginia, Measured Drawing Documentation for Cultural Resource Management, Co-Principal Investigator and field team supervisor, Historical American Building Survey, National Park Service. 1995.
- ***Manzanar War Relocation Center, Manzanar National Historic Site***, Independence, California, Co-Principal Investigator and Project Architect, Historical American Building Survey, National Park Service. 1994.
